

In motivating, guiding and caring for our Club youth, it takes more than just our dedicated staff and invested parents and guardians – but engagement from our entire community. At the Boys & Girls Club of Fond du Lac, we are grateful to count on the generosity, passion and commitment of supporters like you to help pave the way towards great futures for our kids and teens.

On **Wednesday, April 18**, the Fond du Lac Buffalo Wild Wings® restaurant will show its support through Community Day, an annual celebration that raises funds for local kids and teens as part of the Buffalo Wild Wings Team Up for Kids® mission. **Ten percent of total restaurant sales and 100 percent of Guest donations on April 18 will be donated to our Club to support our youth programs!**

As part of Buffalo Wild Wings' (B-Dubs) national commitment to Boys & Girls Clubs of America (BGCA), Community Day is a celebration at participating B-Dubs restaurants across the country, honoring the company's commitment to our nation's kids and teens. B-Dubs has committed a \$2 million minimum guaranteed donation to BGCA through 2020. With the success of its fundraising efforts to date, B-Dubs will donate more than \$20 million by 2020!

Now in its sixth year, Buffalo Wild Wings' Team Up for Kids mission and partnership with BGCA supports youth sports through ALL STARS grants for flag or tackle football, basketball, soccer, cheer, step and dance teams at Boys & Girls Clubs across the country. Locally, B-Dubs has a major impact on our kids and teens.

Boys & Girls Club of Fond du Lac leadership staff will be at B-Dubs (121 N. Pioneer Rd. in Fond du Lac) along with a handful of Club members for dinner on April 18 – we hope you will join us or stop in earlier that day for lunch! Invite your family, friends and coworkers to join us at B-Dubs – and show your support for our Club kids and teens!
